Intercultural Programs at the AFS Spanish language institute, where students from around the world come to study. The World Dental Congress (FDI WDC) provides a scientific programme, a trade exhibition, and a social programme. The next Congress will take place in Buenos Aires.

Argentina is truly a country where I felt very integrated. I felt like a true citizen of the world while living in Argentina. I felt very integrated with the people and the culture. Argentina is a beautiful country, the home of Iguazu falls, Patagonia and Salta. Tufts s Study Abroad offers a lot of study abroad programs throughout Argentina.
